I. COMMUNITY CONNECTIONS

Community Connections is a tool used to introduce small groups of individuals to activities, leisure opportunities and organizations within Erie and the surrounding counties.

A. Participation Requirements:

1. Community Connections services are available to eligible adults 18 years of age and older.
2. Each individual that would like to participate will notify the Board via email at communityconnections@eriecbdd.org or phone to receive a copy of the monthly newsletter provided by the Community Connections staff which will offer a variety of activities for consideration.
3. All activities are on a first-come, first-serve basis, all activities have registration deadlines, and many have maximum participation limits. Participants are limited to eight (8) supervised activities per month that have maximum limits.
4. Three or more no-shows for activities within a three-month period of time will result in suspension from participation in Community Connections activities for the period of one month. Any cancellation less than 24 hours will be treated as a no-show.
5. If an individual requires ongoing staff support, they shall be required to provide their own staff dependent on the activity.
6. If you have personal needs that require one-to-one assistance from staff taking them away from the group, you shall be required to provide your own staff.

B. Waiting Lists for Recreational Activities:

If an individual is placed on the waiting list due to maximum participation limits being met the Children Options and Community Support Waiting List procedures will be followed.

II. VOLUNTEER OPPORTUNITIES

The purpose of these types of opportunities is to connect individual citizens with the Erie County community that they live in. These activities are specifically focused on an individual person's dreams, desires and interests. The goal of community participation opportunities is to connect individuals with their Erie County community and foster independence and relationship building outside of the developmental disabilities' community.

A. Participation Requirements for Community Participation Opportunities:

1. Eligible individuals 14 years of age and older.
2. Opportunities will be based on staff capacity, to be evaluated on an on-going basis.
3. Referrals can be made by individuals, families, teams, providers, SSA's, or anyone that has knowledge of a person.

- C. Waiting List for Community Participation Opportunities:
If an individual is placed on the waiting list due to maximum participation limits being met the Children Options and Community Support Waiting List procedures will be followed.
