

FAMILY DIRECTED RESOURCES POLICY

The Erie County Board of Developmental Disabilities (Board) in keeping with its mission provides locally funded resources to support families in providing for unique needs related to qualifying disabilities. The Family Directed Resources Program is committed to supporting families to increase their capacity to care for individuals in the family home as well as support individuals with disabilities to become more independent in the home and community. Through the Family Directed Resources Program, the Board shall provide disability focused financial support to all individuals determined program eligible.

The Superintendent shall establish, revise and keep current the procedures to be utilized in the implementation of this policy. The Superintendent/designee shall ensure compliance with these procedures. All revisions and changes will be shared with the Board when made.
